FOCUS AREAS

IDEAL STATE DESCRIPTION

The emphasis of Read by 3rd Grade is to assure that every child in PreKindergarten-3rd Grade is an active participant in high-quality, consistent, effective literacy learning and instruction. This focus area seeks to expose children to thorough well-rounded reading curricula that includes differentiated instruction, strategic interventions, and home supports to assure that every child is reading on grade level by the end of third grade.

Graduate Ready focuses on preparing well rounded students with academic and life skills. This focus area seeks to create students that have confidence and faith in their future and are contributing members of their community and culture. Graduate Ready students have the ability to learn new competencies and reinvent themselves to be successful in future endeavors.

Cultural Infusion focuses on building a co-learning environment to enhance relationships where everyone feels safe sharing and learning about culture. This focus area seeks to foster student cultural knowledge, language, self-identity, and academic achievement. The result of culturally infused schools are students and educators who are able to navigate and thrive in multi-cultural settings.

Career and Technical Education focuses on providing students with opportunities to explore career options and technical education. This focus area seeks to expose students to a variety of pathways, teach students valuable skills that they can apply in their daily life, certify students in certain trade skills, and prepare students for a variety of pathways after graduation.
