

DISTRICT GOALS

STRATEGIES

STUDENT OBJECTIVE

ORGANIZATIONAL OBJECTIVE

Read by 3rd Grade

By May 2025, 75% of YKSD students will be reading at grade level in Tier 1.

YKSD will provide high quality reading and writing instruction to ensure our primary students develop a strong foundation in literacy.

Math Mastery

Cultural Infusion

By May 2025, 75% of the students participating in Native Language classes will increase their Native Language proficiency by 60%.

YKSD will foster reciprocal partnerships between families and staff to support cultural awareness, self identity and academic achievement in culturally responsive schools.

Career & Tech Ed

By May 2025, 50% of secondary students will complete a career pathway.

YKSD will offer pathways to prepare students to enter careers aligned to their interests/skills and to the needs of their community. YKSD will build a dormitory in Fairbanks to support CTE courses.

DISTRICT GOALS

DESCRIPTION

The emphasis of Read by 3rd Grade is to assure that every child in PreKindergarten-3rd Grade is an active participant in high-quality, consistent, effective literacy learning and instruction. This focus area seeks to expose children to thorough well-rounded reading curricula that includes differentiated instruction, strategic interventions, and home supports to assure that every child is reading on grade level by the end of third grade.

The emphasis of Math Mastery is to assure that every child in is an active participant in high-quality, consistent, effective math learning and instruction. This focus area seeks to expose children to thorough well-rounded math curricula that includes differentiated instruction, strategic interventions, and home supports to assure that every child is mastering math on grade level by the end of sixth grade.

Cultural Infusion focuses on building a co-learning environment to enhance relationships where everyone feels safe sharing and learning about culture. This focus area seeks to foster student cultural knowledge, language, self-identity, and academic achievement. The result of culturally infused schools are students and educators who are able to navigate and thrive in multi-cultural settings.

Career and Technical Education focuses on providing students with opportunities to explore career options and technical education. This focus area seeks to expose students to a variety of pathways, teach students valuable skills that they can apply in their daily life, certify students in certain trade skills, and prepare students for a variety of pathways after graduation.
