2. If written notice was initiated, within 60 calendar days the parties shall meet at a mutually agreeable time and place to begin bargaining.
3. At the start of negotiations, the mutual exchange of initial proposals between the MYEA and District will occur, no new proposals, other than counter proposals, shall be allowed, unless mutually agreed to.

9. Both teams will be afforded a respectful, equal opportunity to speak without interruption.
10. The process of tabling may be used. Tabling shall mean "the temporary suspension of negotiations on a specific item until a slated time."

This Negotiated Agreement, hereafter referred to as the Agreement, shall be made part of the teacher's individual comprehensive contract with the same force and effect as though fully set forth therein.

This Agreement may be altered, changed, added to, deleted from, or modified only through the voluntary mutual consent of the parties in written and signed amendment to this Agreement. The Board and Association agree to the commitments contained herein and give them full force and effect. The provisions of this agreement shall remain in effect until a new agreement is signed.

108 REPRODUCTION OF AGREEMENT

An electronic version of the current Agreement will be sent to each teacher within thirty (30) days after the Agreement is signed. The District will post the Negotiated Agreement on the YKSD website.

110 EXCLUSIVE RECOGNITION

1. The Board recognizes the Association (Middle Yukon Education Association) as the exclusive bargaining representative for all teachers employed by the District.
2. When used hereinafter, the term "teacher" shall refer to all certified employees. It shall not refer to the Superintendent and other administrative personnel who have excluded themselves from the bargaining unit pursuant to law.

200 COMPENSATION

Each teacher shall be placed on the highest number step for which (s) he qualifies on the column except as noted in one (1) and two (2) below. The teacher shall qualify for one step for each year of teaching experience. For experience to count for salary placement, the teaching experience must be acceptable for creditable service for the Teacher Retirement System. Alaska teaching experience combined with out of state teaching experience shall be credited year for year up to a maximum of ten (10) years total for teachers holding a bachelor's degree and a maximum of twelve (12) years total for teachers holding a masters' degree.

Per AS 14.20.220

1. For teachers holding bachelors' degrees, not more than six years of school experience outside the state may be substituted for a like period of school experience in the state when a teacher's position on the salary scale is established.
2. For teachers holding masters' degrees, not more than eight years of school experience outside the state may be substituted for a like period of school experience in the state when a teacher's position on the salary scale is established.

"School experience" means a full-time elementary or secondary teacher in a public or nonpublic school as defined in AS [14.25.220](#)

3. No employee previously placed shall have his/her placement reduced as a result of this agreement. Subject to the above provisions, experience both in Alaska and outside will be creditable to placement on the salary schedule. An employee who completes at least 140 contract days during the school year shall be credited with one year of experience for advancement on the salary schedule.

Placement on the columns of the salary schedule will be based on the confirmation of Baccalaureate and/or Masters college degrees. Credits earned beyond the last conferred degree will be applicable to movement on the columns. The credits must be in one (1) of the following and must be upper division (300 level or higher):

- A. the person's teaching area; major or minor field as listed on the degree;
- B. in the education content or administrative area in a public school setting;
- C. in an area which furthers one or more of the District's educational program in which the employee is or will be participating in;
- D. credits shall not count towards advancement on the salary schedule if a grade "D" was awarded; and,

All courses should be reviewed by Human Resources, or designee, in an effort to protect employees to ensure courses taken are aligned with the district's requirements for placement on the salary schedule.

All credits earned must be from an accredited college or university. At least six (6) of the eighteen (18) hours of credit must be graduate level. Up to six (6) hours may be non-academic credit earned subsequent to employment in the District and under the approved regulations governing nonacademic credit.

Consideration will be given for employees who are on an approved career path to obtain an educational degree requiring them to take undergraduate courses.

The Human Resources reviews credits submitted for advancement. Only credits meeting the above criteria will be approved. Credits not meeting the criteria will be denied for advancement on the salary schedule.

4. River School Differential

Certified employees contracted to teach in the following schools will receive a remote differential: (Allakaket, Hughes, Huslia, Kaltag, Koyukuk, Minto, Nulato, Rampart and Ruby)

The River School Differential will be applied based on the certified employee's years of consecutive service with the YKSD:

1-3 years:	\$2000
4-6 years:	\$2500
7-9+ years:	\$3000

The differential will be paid in the November paycheck.

5. The District shall cover 200 pounds of freight (not excess baggage) for all certified River School employees to their assigned village at the start of their contract.

202 SIGNING BONUSES

Shortage Area: \$1,500 signing bonus to "new hire" shortage area, as determined by the district annually. A "new hire" employee is one who has not worked in Yukon Koyukuk School District during the previous school term.

As a condition of employment, any new employee hired to teach that is assigned to a shortage area must agree to teach in the district for at least one year to qualify for the signing bonus.

Signing bonuses will be paid in one lump sum added to the August paycheck of the qualifying year. These funds would not be qualifying funds under TRS contributions.

If the employee should leave the employment of the district, either voluntarily or involuntarily, during the first school term of employment, repayment of the signing bonus will be required in accordance with the following schedule:

<u>Period of Time Employed</u>	<u>Repayment Percentage</u>
After One Month	90%
After Two Months	80%
After Three Months	70%
After Four Months	60%

If the employee completes the initial full year of teaching and resigns, there will not be a repayment penalty. The District reserves the right to determine teacher shortage areas.

301 FAMILY MEDICAL LEAVE ACT PROVISIONS

FMLA & AFLA will be exercised with any qualifying extended sick leave requests under this agreement.

If an employee is considered an eligible employee under FMLA and under the Alaska Family Leave Act (AFLA), the employee will be granted a leave of absence without pay for medical reasons for up to eighteen (18) weeks during any twenty-four (24) month period as provided in the AFLA, or up to twelve (12) weeks during a twelve (12) month period as provided under the FMLA. This unpaid leave will be approved upon the occurrence of a serious health condition of the employee or to care for the employee's child, spouse, or

parent who has a serious health condition. During this time the employee's health plan coverage will be maintained as if the employee was in paid status for up to twelve (12) weeks of leave, including any sick leave the employee has taken for the same purpose. Any time the leave extends beyond the twelve (12) weeks, the employee is subject to pay the monthly premium if the health insurance coverage is continued. Spouses who are both employed by the District will be limited to a combined total of twelve (12) weeks during a rolling twelve (12) month period for purposes of leave taken to care for a child or parent with a serious health condition. The Association and the District agree that the provision of health insurance coverage for employees on unpaid leaves for family and medical reasons and all procedures are to be interrupted and applied consistently with the legal duties and responsibilities imposed by state and federal law and regulation and are no greater.

A health care provider certification will be required. This form will be provided by the District.

Should the provisions of FMLA and/or AFLA be revised during the duration of this agreement, both the Association and the District agree to apply such provisions at that time.

302 SICK LEAVE

Sick leave may be used when an employee or member of the employee's immediate family is ill or injured and when making or completing medical appointments including accompanying immediate family to such appointments.

The "immediate" family is defined as husband, wife, father, mother, son, daughter, brother, and sister.

When it becomes necessary for an employee to use sick leave, it is the responsibility of the employee to notify his/her immediate supervisor no less than one hour prior to the employee's contract day or as soon as practical.

If sick leave is for a scheduled medical appointment, the employee shall notify his/her immediate supervisor at least one week in advance, or as soon as practical.

A health care provider's note is required for all sick leave that is three consecutive days or more.

304 PARENTAL LEAVE

1. Child Bearing Leave

A. Maternity:

Maternity leave shall be granted to all pregnant teachers. Maternity leave may be a combination of sick leave, personal leave, sick leave bank days, and leave without pay. The length of the maternity leave shall be determined by written statements from the teacher's health care provider and may include recommended pre-delivery and post-partum periods. If using sick leave bank days, the teacher must attain prior approval.

B. Paternity:

A teacher may use up to fifteen (15) days of sick leave to accompany and attend to a spouse and child. Paternity leave may be a combination of sick leave and personal

leave. Once sick and personal leave has been exhausted, leave without pay may be used at the discretion of the Superintendent or his/her designee.

- C. FMLA & AFLA will take effect the day that the health care provider's certification states the effective start date begins. A health care provider's certification will be required. This form will be provided to the employee by the district.
- D. Where there are two employed spouses requesting leave, the district will allow leave as defined by FMLA & AFLA, where the two employed spouses will share leave entitlement, not to exceed leave defined by both acts. ie: the employees may divide the allotted leave concurrently, with approval.

2. Child Rearing Leave

Upon the arrival of a new child by birth or adoption, a teacher shall be granted up to five (5) days of child rearing leave to be as credited as sick leave. This shall be in addition to use of child bearing leave and credited to sick leave.

306 PERSONAL LEAVE

Four (4) personal leave days will be provided each year to each full-time certificated employee to be used at his/her discretion. Part-time employees personal leave will be prorated per their full-time equivalency (FTE).

Unless it is an emergency and time will not permit, employees shall request in writing the use of personal leave a minimum of forty-eight (48) hours in advance to their immediate supervisor.

Leave must be approved by supervisor prior to leave being used.

Personal days shall not accrue from year to year. Upon request, up to two (2) unused personal leave days shall be cashed out and dispersed with the final paycheck at the rate of \$275.00 per day.

No more than three (3) consecutive days may be used at one time.

Personal leave may not be taken on in-service days, immediately preceding or following a school holiday, days within the first two or last two weeks of school, or during mandated student assessment days. If factors beyond the employee's usual control require that the employee use personal leave on such days, additional documentation will be required at supervisor's request and approval must be given by the superintendent.

Use of personal leave on any one given day shall be limited to four (4) teachers or fifty percent (50%) of total teachers, whichever is less.

If the employee's contract is not completed, personal leave days will be prorated based on the completed contract days.

307 TRAVEL DELAY

When a teacher is on a personal trip and his/her return to work is delayed by transportation difficulties beyond his/her control, no disciplinary action will be taken against the teacher. The burden shall be upon the teacher to establish that the delay was

beyond his/her control. The teacher's absence under the circumstances will be charged to personal leave. If the teacher has insufficient personal leave to cover the absence, the time will be leave without pay (LWOP). When a teacher on district-authorized business is delayed by transportation difficulties beyond his/her control, time absent from the job will be charged to administrative leave.

308 WORKERS' COMPENSATION

The District and teachers shall comply with regulations regarding workers' compensation.

In the event a teacher gets injured on the job, the teacher shall immediately notify his/her supervisor and the district's Human Resources staff of the work related injury. No matter how minor an on-the-job injury may appear, it is important that it be reported immediately. This will enable an eligible employee to qualify for coverage as quickly as possible. The teacher will work closely with the district in efforts to return to work as soon as possible.

All missed work due to injury shall be accompanied by a licensed health care provider's certification. The employee will submit leave requests to the employer to indicate leave is for a work-related injury. Absences caused by work related injuries will be paid out of the employee's sick and/or personal leave until the employee qualifies for worker's compensation. Leave without pay may be utilized if no other leave is available.

If the absence exceeds twenty-eight (28) days, worker's compensation benefits will pay the original three (3) days of paid leave. The combination of worker's compensation and daily wages paid will not exceed 100% of the employee's wages.

Should overpayments occur, such overpayment shall not be deducted from the employee's paycheck until the employee has been notified of the overpayment. A repayment plan may be formulated by mutual agreement, not to exceed the duration of the contract.

Teachers who are on worker's compensation may receive retirement credit for the time that they are on leave without pay to comply with AS 14.25.040 (e) which states that the employer will pay the employee's contributions while the teacher is on worker's compensation.

Medical insurance shall continue at no cost to the teacher during the injury period.

The employee will not be eligible for long-term disability while on worker's compensation or paid district leave.

Employees who were on workers' compensation may set up indebtedness with the TRS (when they return to work) to pay for the time applicable to the workers' compensation time and wages. Payment of this indebtedness will make them whole for retirement credit (time & wages).

At the time that the employee is able to comeback to work, the employee will provide a medical certification to resume work and go back on to the district's wage scale.

310 SHORT-TERM LEAVE WITHOUT PAY

Short-term leave of less than one (1) month without pay may be granted at the discretion of the Superintendent for situations not described previously. The following conditions apply:

3. All other benefits, with the exception of salary and salary related benefits shall continue.
4. Requests for short-term leave without pay for medical reasons must be accompanied by a health care provider's certification and FMLA & AFLA will apply.

Teachers shall notify the Superintendent of their intention to return by March 15 of the calendar year in which they plan to return.

- the expected outcome(s) of attendance;
- reporting obligations upon completion of workshop/conference;
- related costs requested for duration of the leave; and
- benefits to the position, school, and district.

A request for professional development leave may be denied if the absence will result in the work of the position not being covered. No professional development leave will be granted after March 16th without a signed employment contract for the following year.

After the leave is completed, a written report as described in his or her original proposal must be submitted to the immediate supervisor and/or the department head.

2. Definition of Transfer and Reassignment:

A. A transfer is defined as a change of site.

B. A reassignment is defined as a substantial change in the grade level(s) taught and/or the preparations assigned.

3. Voluntary Transfer and Reassignment Procedures

To be eligible for transfer, a teacher must have a performance record showing competence as determined by the current evaluation process. Any time before April 15, a teacher may request transfer or reassignment to an unspecified position by writing a letter requesting transfer, or reassignment to the Superintendent with a copy to his/her immediate supervisor.

Teachers desiring consideration for specified openings shall apply within five (5) working days of the date the positions are posted. Requests for consideration for specified openings shall supersede any previous transfer requests made to unspecified locations.

Accepted transfer or reassignment requests shall be officially confirmed with a signed Letter of Intent within thirty (30) days.

Voluntary transfer and reassignment requests will supersede new hire. The consideration of any application for transfer or reassignment shall depend upon demonstrable professional qualifications for the position. All other things being equal, the teacher with the longest continuous service in the District, and who is qualified shall merit first consideration to transfer or reassignment. *(See Appendix for definition of "qualified")*.

In the event that a transfer or reassignment request is not approved, the District Office will provide the reasons in writing, if requested to do so.

4. Involuntary Transfer and Reassignment Procedures

The District will consider the interests and aspirations of its employees when making assignments or transfers.

An involuntary transfer or reassignment shall be made only after a meeting between the teacher involved and the Superintendent or designee, at which time the teacher shall be given the reasons in writing for the transfer or reassignment which will, at the request of the teacher, be placed in the teacher's personnel file. The teacher may have, at his/her option, a representative present at such meeting. Involuntary transfer or reassignment shall not be made for arbitrary or capricious reasons.

At the time of notification of involuntary transfer or reassignment, the latest list of open positions in the school system shall be given to all teachers being involuntarily transferred or reassigned.

AS Sec. 14.20.148. Intra-District teacher reassignments.

When a teacher is involuntarily transferred or reassigned to a position for which the teacher is qualified, within the District, the teacher's moving expenses shall be paid unless the one-way driving distance is 20 miles or less from the teacher's present place of residence, or unless otherwise mutually agreed by the teacher and chief school administrator of the District if the District employs a chief school administrator.

411 VACANCIES DURING THE SCHOOL YEAR

Vacancies that occur after the first day of the school year up to October 31 shall be filled with a new hire. Vacancies that occur November 1 and up to the end of the school year shall be filled with either a new hire or a long-term substitute as circumstances warrant.

Any position declared vacant November 1 and thereafter will again be declared vacant at the end of that school year.

The newly-hired teacher may apply for the position along with all other teachers requesting transfer. The newly-hired teacher who filled that position will be considered, but will not be guaranteed the position.

412 REDUCTION IN FORCE

Reductions in force shall be in accordance with AS14.20.177.

1. In the event that it becomes necessary to reduce the number of teachers employed for the following year due to a decrease in the District-wide school attendance or in the event that more than a 3% decrease in the District's funding from the previous year occurs, the procedure set forth below shall be followed.
2. Definitions:
 - A. Seniority means a teacher's length of consecutive service in years, months and days with the District in the teacher bargaining unit. Seniority shall accrue from the date on which the teacher signs his/her employment contract. Unpaid leave shall not apply to seniority accrual. Ties in length of service shall be resolved by lot.
 - B. Layoff means an unpaid leave of absence until the teacher's right to recall ends. RIFed teachers shall remain on the recall list for twenty-four (24) months.
 - C. Recall means the right to return to service from a layoff and shall last until the employee has accepted or refused a permanent bargaining unit position for which s/he is qualified and which is equivalent (at least in terms of full-time equivalency and pay) to the position from which s/he was laid off. A teacher, who, at the time s/he is recalled from layoff status to a vacant position is already contracted to provide educational services, will not lose his/her recall rights by declining the offer of recall.
 - D. Seniority list means a District-wide list specifying each teacher by order of seniority as of the first day of school. Teachers hired after the first day of school shall be added to the bottom (least senior) of the list. The list shall be prepared by the District and a copy shall be provided to the Association by November 1 of each year.
 - E. A Highly Qualified teacher is defined by the Every Student Succeeds Act.
3. Initiation of Layoff

The District shall notify the Association of any possible or potential need for a layoff prior to March 16 of each year. Accompanying the notice shall be all supporting data or documents used by the District to conclude that a layoff may be necessary.
4. Preventive Procedures

If a layoff becomes necessary the District shall first release all temporary, emergency, or provisionally employed teachers. Next the District shall, to the extent possible, use natural attrition, then approve any teacher requests for unpaid leaves, then job sharing, then solicit volunteers to reduce the number of teachers to the level necessary. To effectuate this procedure the following shall occur:

 - A. The District shall, at least two weeks prior to the date by which teachers must be notified of non-retention, canvass the teaching staff to determine which, if any teacher(s) intend to resign (or retire) effective at the conclusion of the school year.

- B. If the number of teachers offering resignations is not sufficient to eliminate the need for a layoff the District shall approve all requests for unpaid leaves of absence.
- C. If the number of voluntary resignations and approved leaves of absence is not sufficient to eliminate the need for a layoff the District shall solicit individuals who would like to share a single position. Teachers who volunteer to job share will each receive a salary equal to $\frac{3}{5}$ of their annual salary and will receive full benefits and leaves as if they were working full-time. The teachers will also, for purposes of tenure and salary advancement receive credit for a full year's service for each year they are involved in a layoff caused by job sharing. Once a teacher has elected to job share, the teacher is bound by the election unless recalled to fulltime position as set forth in sections 6 and 7 of this article.
- D. If the number of voluntary resignations and approved leaves of absence is not sufficient to eliminate the need for a layoff the District shall solicit volunteers for layoff.

5. Layoff Procedure

- A. In the event that the procedure specified in section 4 above fails to eliminate the need for a layoff the least senior teacher, pursuant to the seniority list, shall be notified in writing that s/he is to be laid off. Such notice shall be given to all tenured teachers to be laid off prior to March 16th. This process will continue until the required number of teachers placed on layoff is proportional to either the drop in District-wide enrollment or when there is more than a 3% decrease in District funding from the previous year, depending on which reason was used as the reason for layoff.
- B. The laid off teacher shall maintain his/her position on the District-wide seniority list. The teacher will be offered another position in the District that the teacher is qualified to fill if such a position is available.

All material placed in the teacher's permanent personnel file, which is derogatory to a teacher's conduct, service, character, competence or personality, shall not be placed in a teacher's file unless the teacher has been given the material to read. The teacher shall acknowledge that he/she has read such material by affixing his/her signature on the actual copy to be filed. Such signature does not necessarily indicate agreement with the content of such material.

1. Section I – Definitions

- A. "Grievant" shall mean a teacher, or the Association according to Section V-J.
- B. A "Grievance" shall mean a written claim by a grievant that a dispute or disagreement exists involving interpretation or application of the terms of this Agreement.
- C. "Days" shall mean school days, except as otherwise indicated. When a grievance is submitted on or after May 1, time limits shall consist of calendar days, so that the matter may be resolved as soon as possible thereafter.
- D. Parties in Interest - grievant, Association representatives and witnesses, Board representatives and witnesses.

2. Section II – Purpose

The purpose of this procedure is to secure, at the lowest possible administrative level, an equitable solution to the problems which may arise affecting the welfare or working conditions of teachers. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

3. Section III - Time Limits

- A. Time limits provided in this Agreement may be extended by mutual agreement when agreed in writing by the parties.
- B. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limit shall permit the lodging of an appeal at the next step of the procedure.
- C. Any grievance not advanced from one step to the next within the time limits of that step shall be deemed resolved by the answer at the previous step.
- D. In the event a grievance is filed which might not be resolved within the time schedule established for grievance procedures before the end of the school year and that act could result in irreparable harm to a party in interest, the time limits set forth will be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as practicable.

4. Section IV – Procedure

A. Informal

The parties in interest acknowledge that it is usually most desirable for an employee and his/her supervisor to resolve problems through free and informal communication. Accordingly the grievant will present the problem to his/her supervisor and try to informally work out a solution to the problem prior to filing a grievance. The employee's request for the informal meeting must be made within twenty (20) calendar days from the time the employee knew or should have known of the act or condition on which the grievance is based. If the dispute or disagreement is not resolved at the informal meeting, the employee may proceed to Step I.

If the supervisor's response at the informal meeting is that he/she does not have the authority to make a decision, the informal procedure shall move to the level of the Superintendent under a formal grievance filing at Step II.

If the written grievance is not filed within five (5) working days after the informal meeting, then the grievance shall be waived.

B. Step I

1. If the problem is not resolved at the informal meeting, it may be stated in writing and filed as a grievance with the supervisor. The written grievance must be filed within five (5) working days from the time of the informal meeting. The supervisor shall hold a meeting with the grievant within five (5) days of receipt of the written grievance. Written grievance statements shall be countersigned by the Association president. Beginning at this step, an Association representative may be present at all hearings and receive a copy of written decisions.
2. Within five (5) working days after the aforementioned meeting the supervisor shall communicate his/her answer together with reasons in writing to the grievant and to the Association. If no written response from the supervisor is received within the five (5) working days, the grievant may file the Step II grievance.

C. Step II

1. If the grievant believes that there is an error in the decision reached at Step I, the grievant may file a written appeal within five (5) working days to the Superintendent. The appeal must state what is in error with the lower decision.
2. The Superintendent shall notify the parties in interest of the time and place for a hearing on the grievance. Such hearing shall be held within five (5) days of receipt of the appeal.
3. The Superintendent shall give a written decision on the grievance to the grievant and Association representative within ten (10) working days after the hearing.

D. Step III

1. In the event that the grievant is not satisfied with the disposition of his/her grievance at Step II, or in the event that the grievant does not receive notice of its disposition within ten (10) working days in Step II, and provided that the grievance cites concerns regarding the meaning of this Agreement or any part or parts of it or cites concerns regarding an alleged breach hereof, the Association may request arbitration within ten (10) days.
2. Within ten (10) days after such written notice of submission to arbitration, a request for a list of arbitrators will be made jointly to the American Arbitration Association by the Board and the Association. Arbitration shall be carried out under and in accordance with the rules of the American Arbitration Association.
3. The arbitrator selected will confer with the representative of the Board and the Association and hold hearings promptly, and will issue his/her decision not later than twenty (20) days from the date of the close of hearings. The arbitrator's

decision will be in writing and will set forth his/her findings of fact, reasoning and conclusions on the issues submitted.

4. The arbitrator will be without power or authority to make any decisions which require the commission of an act prohibited by law or which is in violation of the terms of this Agreement. In the event that a case is appealed to an arbitrator on which he or she has not the power to rule, it shall be referred back to the parties without decision or recommendation on its merits.
5. There shall be no appeal from an arbitrator's decision if it is within the scope of his/her authority. It shall be final and binding on both the Association and the Board.
6. The costs for the services of the arbitrator, including per Diem expense, if any, and his/her travel expenses and the cost of any hearing room will be borne equally by the Board and the Association. Other expenses will be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by another.

5. Section V- Miscellaneous

- A. No party shall be entitled to arbitration until that party shall have exhausted all recourse to the level herein above set forth in this Article, unless otherwise mutually agreed.
- B. Decisions rendered at all levels of the grievance procedure will be in writing, setting forth the decision and the reasons therefore and will be transmitted promptly to the grievant and to the Association representative.
- C. To facilitate operation of the grievance procedure, necessary forms for filing, for serving notices, for making appeals, for making reports and recommendation, and other necessary documents will be prepared jointly and distributed by the Association or the District.
- D. No reprisals of any kind will be taken by the Board or School Administration against any teacher because of his/her participation in this grievance procedure.
- E. Should the investigation or processing of any grievance require that a teacher or Association representative be released from his/her regular assignment, he or she shall be released without loss of pay or benefits.
- F. The District shall record Step II and Step III grievance hearings and shall provide a copy, at cost, of the recording upon written request of the grievant.
- G. The records and documents related to the processing of a grievance shall be maintained in a file separate from the teacher's official personnel file.
