November 21, 2011

Dear YKSD Staff & Community Members,

This week, as we break for the Thanksgiving holiday— and some much-needed rest and quality time with family and friends— I want to say “thank you.”

Thank you to **our teachers** for working tirelessly on behalf of the children every day. Your commitment is inspiring, and I have greatly appreciated the opportunity to visit more frequently and closely with you this year.

Thank you to **every member of our staff** for doing “*Whatever it Takes!*” and— no matter what school or department you are in— for working to support teaching and learning.

Thank you to **our parents** for placing your faith and trust in us.

Thank you to all of **our volunteers and language specialists**. Improving schools is a collaborative effort and YKSD’s partnerships with community, business, legislative and faith-based groups are integral to our school’s continued improvement.

I wish you all a peaceful, joyful Thanksgiving break, and I’ll see you back in school Monday, November 28th!

Warm wishes,

Kerry Boyd
Superintendent
