Kerry Boyd, Superintendent
Yukon-Koyukuk School District
4762 Old Airport Way
Fairbanks, AK 99709

Dear Superintendent Boyd:

United Utilities, Inc. is proud to be the local telephone and communications service provider in the Yukon-Koyukuk School District. We are interested in assisting Alaska's future leaders to gain the best education possible. To that end, we are happy to announce that we are now accepting scholarship applications for the 2016-2017 school year!

Students are eligible to apply if they:

1. Live in a location where UUI, United KUC or Yukon Telephone is the local telephone/communications service provider.
2. Are a high school senior who will graduate in Spring 2016; already have a high school diploma; or are already attending an accredited college or post-secondary program.
3. Have at least a 2.0 GPA on a 4.0 scale.
4. Have plans to be a full time or part-time student at an accredited college, university, or vocational/trade school in the Fall of 2016.
5. Have an interest and intent to return to a rural community after graduation.
6. Are not a dependent of any person involved with the Federal Schools and Libraries Universal Service Support Program (E-Rate) or the Rural Health Care Universal Support Program (RHCP) on behalf of an entity that receives support for telecommunications services through either program. For more information, please see page 2&3 on scholarship application.

Enclosed are posters and application forms. Please post the flyers in your school. More information and the application form are also available on the Scholarship Info link of our website, which is <http://www.uui-alaska.com>.

Completed applications must be received or postmarked by April 08, 2016. Students may mail or fax their applications. Should you have any questions, please contact Tam Cleary at 1-800-478-2020 extension 5214.

Sincerely yours,

Craig Mollerstuen

2016-2017 Scholarship Application

Background

GCI, Alaska's largest telecom, awarded \$300,000 in scholarships to Yukon Delta students during the 2015-2016 school year. GCI makes these scholarships available through its subsidiary, United Utilities Inc. (UUI). UUI awards one hundred and fifty (150) \$2,000 scholarships each year to rural high school seniors and residents of the (60) communities that UUI/KUC serves, including the villages of Tanana, Whittier, and Ruby. The goal of this program is to provide partial monetary support to Alaska Natives for education and training as Alaska's future leaders and in preparation for career opportunities with GCI/UUI.

As a major employer in Alaska and this region, a trained and skilled workforce that can come back to their community allows us to continue developing Alaska's most complex communications network.

For more information, please contact Tam Cleary at (907) 273-5214 or at scholarship@uui-alaska.com.

Federal Support for Telecommunications Services

Many UUI customers receive financial support from the Universal Services Administration Corporation (USAC) for their telecommunications services through the Schools and Libraries Universal Service Support Program (also known as "E-Rate") or the Rural Health Care Universal Service Support Program (also known as "RHCD" or "RHCP").

USAC and the Federal Communications Commission (FCC) severely restrict telecommunications carriers, like UUI, from providing anything that could be construed as a "gift" to such entities (including a libraries, schools, school boards,, health corporations, hospitals, health clinics, or related consortia) or anyone *involved with the with E-rate or RHCP on behalf of any such entity.*

This prohibition is broad and includes anyone on the governing board of any such entity and all employees, officers, representatives, agents, consultants, or independent contractors of such an entity who prepares, approves, signs, or submits E-rate or RHCP applications, technology plans, or other forms related to E-rate or RHCP; anyone who prepares bids, communicates, or otherwise works with E-rate or RHCP service providers, E-rate or RHCP consultants, or USAC; or any personnel responsible for monitoring compliance with the E-rate or RHC programs

UUI does not wish to jeopardize the financial support upon which many of our schools and health corporations rely and, therefore, cannot provide scholarships to people (or their dependents) that are involved with the E-Rate or RHCP programs on behalf of these entities.

Applications must be postmarked to UUI by April 08, 2016.
