## **100 POSITION STATEMENT**

The Yukon-Koyukuk School District School Board endorses the management team concept in governance of the educational program. The Regional School Board recognizes the Administrators of the District as one leg of the leadership triad and endorses them as such.

By law, the Regional School Board for the Yukon-Koyukuk School District is charged with the responsibility to render policy decisions regarding management and instructional functions in public education within the boundaries of the district.

The Superintendent of Schools for the Yukon-Koyukuk School District is given the responsibility of administration of the policies set forth by the Regional School Board.

The Administrators of the Yukon-Koyukuk School District facilitate the policies set by the Regional School Board and directed by the Superintendent of Schools. All policies set forth by the Board are carried out through regulations promulgated by the Superintendent with advice and consultation of said Administrators.

## **102 YUKON-KOYUKUK ADMINISTRATORS ASSOCIATION**

### **A. Recognition:**

The Board will recognize the Yukon-Koyukuk Administrators Association (YKAA) as the entity for bargaining purposes preceding the terminal year of the Agreement for the purpose of negotiating salaries, and other terms and conditions of employment for the next agreement, unless fifty-one percent (51%) or more of the eligible members petition and vote under appropriate regulations to decertify.

### **B. Membership:**

The Board recognizes that the membership of the YKAA consists of Principals, Principal/Teachers, Directors, Coordinators, and Supervisors, all of which are considered non-confidential employees by the Alaska Department of Labor. These administrators are contractually employed by the Yukon-Koyukuk School District. The members of YKAA agree to pay annual dues in the amount of \$100 per year.

### **C. Association Dues or Deductions:**

The Board shall deduct annual Association dues from the October pay of any and all Administrators who have authorized such a deduction. A signed Association membership form shall include a statement that said deduction shall continue from year to year without further authorization unless revoked. If the form is submitted September 1, the dues shall be deducted from the next monthly payroll. These deductions shall continue from year to year without further authorization from the Administrator except that Administrators may revoke their authorization as of September 1. The Association president shall inform the District, in writing, by September 15th, of each year of any changes in annual united Administration dues. The amount deducted shall be promptly remitted to the Association.

### **D. Individual Membership Rights:**

It is recognized that Administrators have the right to join or refrain from joining organizations of their own choosing for the purpose of representation in their employment relations with the District. Membership in any organization shall not be required as a condition of employment in the District, and the District will not

discriminate with respect to any term or condition of employment for the purpose of encouraging or discouraging membership in an organization. However, as in "A," the only bargaining unit recognized by the Regional School Board of YKSD will be YKAA, per terms delineated in "A."

#### **E. Association Rights and Responsibilities:**

The Superintendent will:

1. Provide no more than twenty (20) cumulative days leave for Association business. Granting of leave shall be upon written request by the Association president to the Superintendent.
2. Involve Administrators in the preparation of the school calendar.
3. Provide each Administrator with access to this Negotiated Agreement.
4. Assist in resolving necessary modifications to this agreement mutually agreed to by both parties.
5. Involve the Administrators in proposed changes in teacher evaluation instruments and procedures.
6. Involve the Administrators in proposed changes for the evaluation of all Administrators.
7. Involve the Association in proposed changes affecting the terms and conditions of employment of members of the Association.

#### **F. Challenges**

Challenges to the Association's rights, obligations, and status as the exclusive bargaining agent shall be made in accordance with the Public Employment Relations Act.

#### **G. Management Rights**

All of the functions, rights, powers, and authority of the Board not specifically abridged, delegated, or modified by the Agreement are recognized by the Association as being retained by the Board, including the right to make final decisions on policies.

Both the Association and the District understand and agree that, as salaried management employees, work beyond the normal work day and work year (i.e. evenings and weekends) are inherent and often necessary in the job and duties of a building level or central office administrator. With this understanding, the standard year and work day are defined for the purposes of this agreement, it is further understood that the administrator shall not be entitled to additional compensation for time worked in excess of the standard work day or work year, unless there is prior written agreement by the Superintendent.

Further, it is agreed that administrators covered under this agreement may use up to nine (9) Saturdays, with prior written agreement as regular contract days.
